Background – PACFLT AOR
Background - Mission

• Command Mission:
  – Support the Command’s theater strategy and provide interoperable, trained and combat-ready naval forces to U.S. Unified Commanders.

• N465: Environmental Program
  – Integrate environmental compliance, awareness and stewardship into Fleet operations, planning, and management.
EMS Process

Environmental Policy

Planning

Implementation and Operations

Mgt Review

Checking and Corrective Action
EMS Policy

• CNO N45 Policy (Dec 2001)
  – EMS Description Document
  – Management Review

• DOD Policy (Jan 2003)
  – Environmental Policy
  – Self-Assessment
  – Written Plan (EMS Manual/Description Document)
  – Prioritized List of Aspects
  – Awareness Level EMS Training
  – Management Review
EMS Goals

- Enhance mission capabilities while managing risk
- Reduce operational impacts to the environment
- Reduce environmental impacts to operations
- Achieve Return on Investment
- Minimize cost of implementation
Fleet EMS Strategy

- Obtain commitment from chain of command
- Define scope of EMS implementation
- Identify resources needed to implement
- Tailor requirements to installations
Fleet EMS Strategy

• Commitment
  – Determine framework – ISO 14001
  – Promulgate EMS policy
  – Appoint an EMS management representative
  – Establish EMS cross-functional teams
  – Provide EMS tools & training (all levels)
  – Provide implementation oversight
  – Include foreign installations
Fleet EMS Strategy

- Defining Scope
  - Breadth
  - Depth
  - Timing
  - Complexity
- Options to meet Goals
Fleet EMS Strategy

• Resources
  – Identify in-house, other Navy and contract support
  – Planning, Programming, and Budgeting
Coordination & Synergy

• CNO N45 Working Group
• Fleet EMS Implementation Team
  – Joint participation/coordination
• Training (CNO N45 coordinating Navy-wide)
• EMS tools (standardize, sharing)
• POM EMS requirements
EMS Approach

• **LANTFLT:**
  – Contractor develops prototypes for selected activities
  – Address/implement all EMS elements
  – Develop guidance documents/lessons learned
  – Then, share templates, etc., with other activities

• **PACFLT:**
  – Use EMSIT to build framework
  – Address/implement specific elements (training, manual) across all Regions simultaneously
Take Aways

- Fleets’ have shared EMS vision
- Must have chain of command commitment
- EMS MUST be mission-oriented
- Provide guidance, tools and training to the installations
- Long-term continual process improvement
