- Got MYP Authority for FMTV (w/restrictions)
- Requested/Received Termination Instructions for:
  - M113 Family of Vehicles
  - Wolverine
  - HERCULES
  - M9 Armored Combat Earthmover
  - Armored Security Vehicle
  - ADIP
  - Flood Lights
  - T9 Dozer
- Initiated Tactical Wheels Campaign Planning Process
- Formed a Corporate Board with Transportation School, Ordnance School and CASCOM
- Began Truck Leasing Initiative
Major Program Impacts

◆ Program Terminations:
  ▪ M113 Family
  ▪ Wolverine
  ▪ M9 ACE

◆ Major Program Decrements:
  ▪ Trucks
  ▪ Construction Equipment
  ▪ Bridging
  ▪ Petroleum & Water
  ▪ TMDE

◆ Management:
  ▪ CMS Office Restructure Planning

- HMMWV Hvy Util: 11% (08)
- FMTV: 33% (04-09)
- CE SLEP: 100% (04-06)
- Scrapers: 100% (04-06)
- Graders: 42% (04-05)
- Crush/Screen: 58% (04)
- Fuel Sys Sup Pt: 96% (04-05)
- IFTE: 19% (04-06)
- Test Mod: 18% (04-06)
- ADIP: 100% (04-09)
Major Challenges
FY03 and Beyond...

- Challenge and Motivate...
- Risk Management and Opportunity in the Current Force...
- Put "Meat on the Bones" of the Future Tactical Truck System(s)...

**Mission & Vision**

**MISSION**

Capitalize on emerging technologies relative to our product lines ensuring the best possible products are available to support the Objective Force, and beyond, through product new starts and/or technology insertion; Maintain maximum performance of currently fielded systems through disposal of the same.

**VISION**

Be a catalyst for change in the Army and OSD transformation process within our product lines; Create a work environment where people are bound only by their imagination and creativity, where every idea is worth exploring to the fullest.
