9TH ANNUAL ARMY SMALL BUSINESS CONFERENCE

“ARMY & SMALL BUSINESS: A WINNING PARTNERSHIP”

AGENDA

PRESENTED BY:

NOVEMBER 2-3, 2005

HILTON MCLEAN HOTEL AT TYSONS CORNER
MCLEAN, VIRGINIA
EVENT #6430
Providing for the Nation’s security requires an effective partnership between the Army and the small business community. Small business is “big business” in the Army. Last year, the Army awarded $15.4 billion in direct contracts. Small businesses received an even greater amount in contracts with major defense firms. Despite having the smallest budget of the three military departments, the Army has awarded the highest dollar amount of prime contracts to small businesses for each of the last five years.

This conference is the only yearly event specifically aimed at all of the Army’s small business contractors. It brings together leaders of the industry small business community and the government (Small Business Administration and Army) to discuss timely topics, including recent changes affecting small businesses. Participants will include key Army decision makers from the Pentagon to field commanders who conduct acquisitions. All the Army’s major commands located in the United States will be represented. The conference provides a forum for open exchange of information and ideas between senior government officials and small business leaders.

The Business Opportunities Fair is an important part of the conference. Representatives from all of the Army’s major buying commands will be present to discuss future opportunities for small businesses in their respective commands. In addition, representatives from the top 50 largest business defense contractors will be there to discuss small business opportunities with their firms. Army acquisition and technical personnel, and Small Business Specialists will be available to address individual contractor’s questions and concerns.

Breakout Sessions will be presented on timely subjects of special interest. The agenda offers a variety of topics designed to meet the varying needs of contractors present.

The importance of continuing the Army-Small Business partnership will be an underlying theme of the conference.
