

# ***S&T for Chem Bio Information Systems***

## ***Session D-II***

### ***Operations Effects Modeling***

**1:30-2:00**

**Combined Defense Model**

**2:00-2:30**

**Health Effects Decision Support Tool for Civilian CB Air  
and Water Attack Scenarios**

**2:30-3:00**

**Employing Military Virtual Reality Simulation Technology  
to Train for Prevention, Deterrence, Response, and  
Recovery for Chem Bio Events**

**3:30**

***Conference Adjourns***
