**DOD Military Severely Injured Center (MSIC)**

**MSIC** opened on Feb 1, 2005. It ties together military and other government programs to assist severely injured service members.

**Mission:**
Prepare severely injured Service members to return to duty or to reintegrate into civilian communities.

**Objectives:**
Ensure all severely service members and their families receive proper assistance.

To provide assistance, tailored to an individual's needs during recovery and rehabilitation.

**Includes**
- Medical care & rehabilitation
- Education, training and job placement
- Personal mobility and functioning
- Home, transportation and workplace accommodations
- Personal, couple and family issues counseling
- Financial resources assistance

**Availability:**
- 24/7, worldwide
1. The wounded veteran has skills, training and character to meet tough challenges.

2. They are experienced in working side by side with others and performing under pressure.

3. They are accountable and have respect for following procedures.

4. They understand an “honest days work.”

5. Severely injured veterans can bring a diverse set of skills to your organization.
