

# FUZE SAFETY STANDARDS: SECRETS FOR SUCCESS

by

Mr. Homesh Lalbahadur  
Chairman, NATO AC326-SG2  
Chairman, DoD FESWG  
Executive Secretary, AFSRB

(NDIA Fuze Conference; May 2007)

# Who writes the Fuze Safety Standards?

# Who Evaluates Compliance to the Fuze Safety Standards?

- Army Fuze Safety Review Board (AFSRB)
- Navy Fuze & Initiation Systems Technical Review Panel (FISTRP)
- Air Force Nonnuclear Munitions Safety Board (NNMSB)
- Joint Services Fuze Safety Review Board

# Three Secrets for Success

**SECRET #1: GET TO KNOW THE  
SECRETARY OF THE  
SAFETY BOARD**

# Three Secrets for Success

SECRET #2: STAY IN YOUR SEAT.

DO NOT MOVE!

REMAIN CALM.

KEEP YOUR COOL.

# Three Secrets for Success

**SECRET #3: WATCH THE FOLLOWING TWO PRESENTATIONS BY MEMBERS OF THE DoD FESWG. BUT DON'T JUST SIT THERE; ASK THEM "WHERE CAN I GET A COPY OR YOUR DOCUMENT, PLEASE?"**

# Summary

- Ongoing Joint Services fuze safety review board process has yielded some growing pains.
- The DoD FESWG is providing additional fuze safety guidelines to ease the pain for the safety authorities, project teams, and contractors.
- The DoD FESWG's goal is to have everyone reading from the same sheet of music.
- If you follow the secrets for success provided herein, you have a great chance of being in harmony with the fuze safety authorities.
