TRAINING
"Unit GROM is absolutely parallel with DELTA unit. It is a very big achievement giving Poland an important international asset."

Zbigniew Brzeziński – Former Security Adviser of US President

"Polish SOF unit GROM is the first class, outstanding people with outstanding morale ... I would be very happy if I could work with this unit during the emergency situation."

General Wayne A. Downing
SPECIAL OPERATIONS COMMAND

WAY AHEAD

- REORGANIZATION OF C2 STRUCTURE
- UNITS TTPs AND EQUIPMENT UNIFICATION
- REORGANIZATION CS, CSS
- EQUIPPED WITH HIGH TECHNOLOGY
Interoperability needs to be a community effort.

We have concentrated on CIS to date, we are moving into Intel Recce Surveillance and Target Acquisition (IRSTA)…what next?

Joint Special Operations Capabilities Task Force is therefore the primary point of entry.

Impact to date:
- CIS experimentation campaign;
- Precision Airdrop systems in service;
- Warfare Ops Center connectivity.
