Secretary Chertoff's Goals

2007

- Keeping dangerous people from entering the country;
- Keeping dangerous goods from entering the country;
- Protecting the critical infrastructure on which our lives and our economy depend;
- Strengthening emergency response and building a culture of preparedness;
- Improving the department's management.

2008

- Addressing immigration and border security issues;
- Establishing secure identification;
- Promoting and increasing cyber security;
- Making sure this country is philosophically and mentally prepared for the challenges ahead with respect to the threats that we face.
