Industrial Committee on Operational Test and Evaluation (ICOTE)

Larry Graviss, Eagle Engineering Committee Chairman

Dr. Charles McQueary, DOT&E, Co-Chairman

27 February 2008
The objectives of the ICOTE are to:

- Provide a forum for discussion and exchange of T&E views from Defense and the Industrial Base in a non-attribution environment
- Gain feedback from senior industry representatives and OSD leadership
- Discuss OSD and service policies which affect relationships with industrial suppliers
- Discuss emerging issues / policies in government and industry which affect the readiness and capabilities of U.S. defense system producers
- Cooperate on various projects of mutual benefit to the ICOTE participants
