

INNOVATION INSIDE

2009 INNOVATION EXPO
VIRGINIA BEACH

Coast Guard Industry Innovation Panel

Pat Stillman, Senior Vice President
November 17, 2009

The Power of Process

SAIC Innovation Value Chain

Solutions

The Practice of Innovation

- Tsunami warning capability...International disaster alert system
- Coast Guard Biometrics at Sea Program Mona Pass Proof of Concept

Technology Innovation Focus

APPROACH

Innovation Enablers

- CMMI® Level 5
- ISO® certifications
- Engineering Edge SE&I
- Small business partnerships
- University alliances
- IR&D
- Culture
- Industry associations

SAIC Technology Focus

- Command and control
- Biometrics
- Modeling, simulation and training
- ISR enablers
- RF and optical physics
- Cryptology and cyber
- Neutron and gamma physics
- Fuel and energy sources
- Energy transmission and distribution
- Medical research
- Advanced bio and chemical sensors
- Neuroscience
- Disease surveillance
- Specialized medical knowledge

Common Driver Trainers

SOA-Based Operations Center

Integration and Interoperability Laboratory

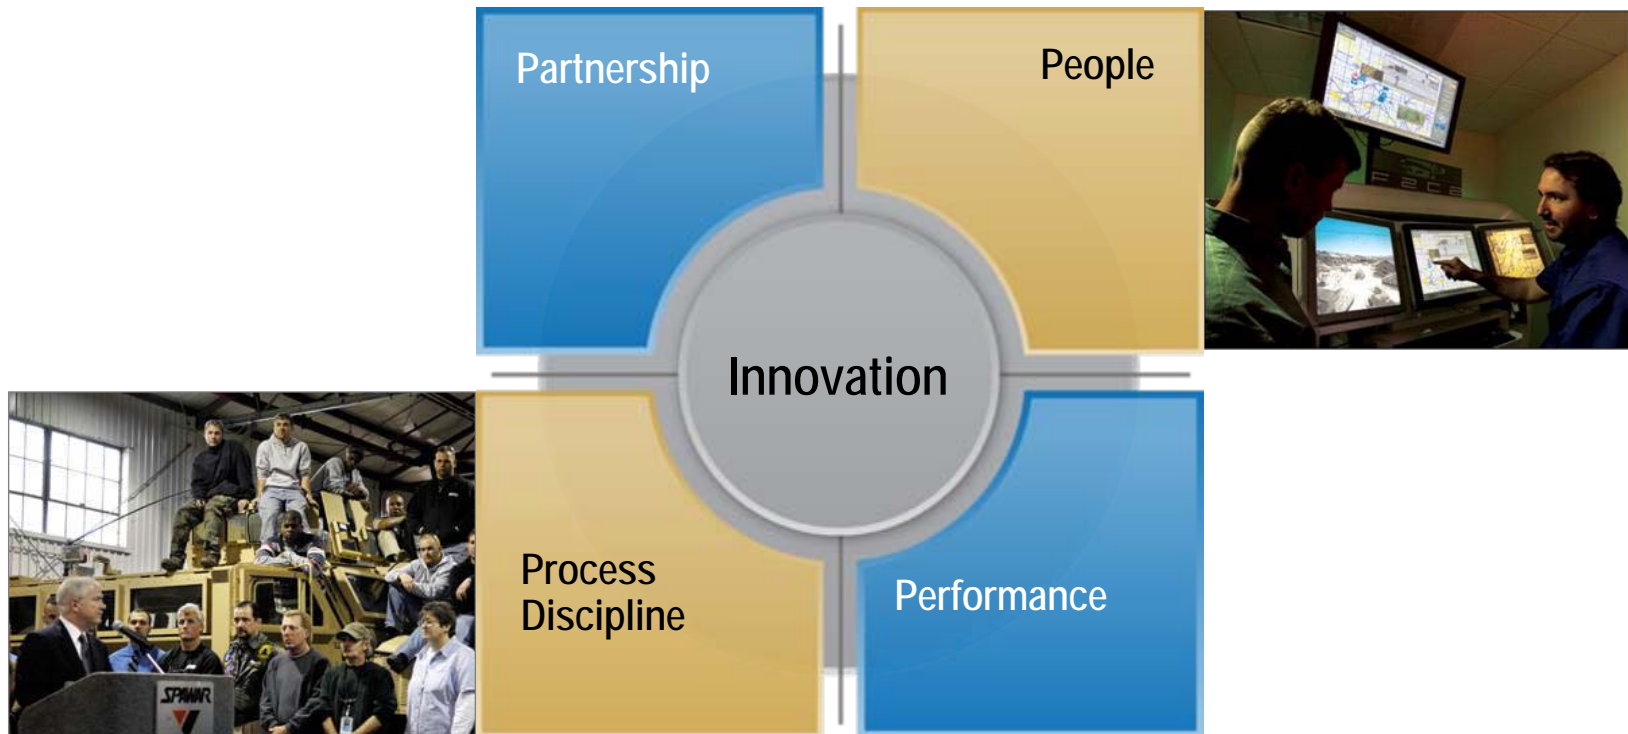

Innovation Summary

09-1844-ID-15

Innovation inside ... opportunities amidst change
