TEST OPERATIONS:
...An Enabler To Successful Systems Development & Fielding

February 2009
ATEC: The Perception
Strategic Organizational Construct

FROM: HQDA → ATEC

→ Saves Time & Money
→ Does Not Compromise Org Independence

TO: PEO

HQ ATEC

DTC

OTC

AEC

A → B → C
Section 231 Report
Eight Core T&E Principles

1. Focus – Measure Improvements To Capability
2. Experiment To Learn Strengths & Weaknesses
3. DT/OT Integration Opportunity
4. Start Early, Be Operationally Realistic, Be Continuous
5. Evaluate In Mission Context At Time Of Fielding
6. Compare To Current Capabilities
7. Use All Available Information
8. Exploit The Benefits Of M&S
