**TOTAL FORCE STRENGTH: 1,152**

**TOTAL MILITARY STRENGTH: 67**

- **What we do**
  - DoD's Joint Interoperability certifier
  - Execution arm of DoD CIO for interoperability
- **Where we are going**
  - Accelerating integration with other test agencies to increase reciprocity
  - Increasing Agility in testing & certification
  - Focusing on risk-based testing, mission-based testing, and design of experiments

# DISA System of System Testing

A Combat Support Agency

- **What we do**
  - SoS Testing using mission-based approaches
  - Proven success: Afghan Mission Network, JCAS, BMDS, JTDL, DOT&E IA/IOP Assessments, ISR Testing, DICE, Endeavor Exercises
- **Where we are going**
  - Interoperability of Enterprise Services in Cloud environment
  - Provisioning of Testing Services
  - Mobile Device Application Testing
  - Convergence of Test Network Infrastructure
