

Industrial Committee on Test and Evaluation

March 12, 2012 Meeting

Week of the 2012 NDIA T&E Division Conference

Hilton Head Island, South Carolina

ICOTE Mission

Industrial Committee on Test & Evaluation (ICOTE)

Mission

To provide a forum for the senior test and evaluation representatives from the Defense Department and senior executives of representative U.S. defense system manufacturers to periodically meet and review issues of common interest and concerns. Discussions encompass test and evaluation policies and procedures which impact weapons systems development, procurement, and use

Like the ICOTE DOE Discussion
