NDIA Supply Chains Conference & Exhibition  
Featuring DLA Land and Maritime

“Supporting the Warfighter in an Austere Budget Environment —Partnering with Industry”
MONDAY, JUNE 11

8:00 AM  Registration - HYATT REGENCY FOYER

8:00 AM - 4:00 PM  Exhibits Set-Up - BATTELLE HALL

1:00 PM - 5:00 PM  Training Knowledge & Opportunities (4-Hour Session) - FRANKLIN BALLROOM
This session is an abbreviated version of the two-day “Doing Business with DLA” Seminar. Attendees will become familiar with ‘tips and tools’ to navigating on the DLA Internet Bid Board System (DIBBS) and DLA Land and Maritime’s contracting process in general. Suppliers will be provided an overview in accessing technical documents via cFolders and submitting alternate offers. This session will also provide insight on DLA’s packaging requirements and examples of specific packaging challenges.

5:00 PM - 6:30 PM  Networking Reception in the Exhibit Hall - BATTELLE HALL

6:30 PM  Exhibit Hall Closes

TUESDAY, JUNE 12

7:00 AM  Registration & Continental Breakfast - HYATT REGENCY FOYER

8:00 AM  NATIONAL ANTHEM - HYATT REGENCY BALLROOM
  ▶  Ms. Velvet Liles

8:05 AM  WELCOME REMARKS
  ▶  Lt Gen Larry Farrell, USAF (Ret), President & CEO, NDIA

8:15 AM  KEYNOTE
  ▶  Mr. Paul Peters, Deputy Assistant Secretary of Defense, Supply Chain Integrations

9:00 AM  DLA PRIORITIES
  ▶  Ms. Nancy Heimbaugh, Director, Acquisition Management, DLA

9:30 AM  LAND & MARITIME VISION
  ▶  BG Darrell Williams, USA, Commander, DLA Land and Maritime

10:00 AM  Morning Break - Exhibit Hall Open - BATTELLE HALL

10:45 AM  Breakout Sessions (Descriptions Listed on Pages 5-7)

BREAKOUT DESCRIPTIONS

DEFENSE LOGISTICS AGENCY LAND AND MARITIME SUPPLIER OPERATIONS

Defense Logistics Agency Land Supply Chain will provide an overview on the Vision, Mission & Functions of the Land Supply Chain and Detachments and Strategic Supply Chain Relationships. We will provide an overview of projected Strategic Acquisitions for FY2012, 2013 and 2014. Emphasis will be on providing vendors with the “TOP TEN” reasons vendor payment is delayed. Time is allotted for questions and answers.

- **LAND BRIEFERS:** Mr. Ben Roberts, Ms. Ellen Dennis, Mr. Bruce Shively
- **LAND STORY BOARD STAFFERS:** Ms. Rochelle Anderson, Ms. Denise Pennington, Ms. Tanya Merritt, Mr. Mike Lanning, Mr. Bob Heine, Mr. Kenton Smith, Ms. Susan Knisley, Ms. Myisha Sears, Mr. T J Maul, Ms. Linda Johnson, Ms. Teresa Harris, Mr. John Lidonnice, Mr. Kendal Cottongim, Mr. Ken Abrams, Mr. Phil Ludwig, Mr. Dan McGrath, Ms. Sherry Wellmer, Ms. Donna Clark
- **MARITIME BRIEFERS:** Mr. Dave Glasscoe, Mr. Kreston Harris, Mr. Steve Byus
- **MARITIME STORY BOARD STAFFERS:** Ms. Linda McCarty, Mr. Evan Baisden, Mr. Dave Devine, Ms. Temika Morris, Mr. Ray Blakely, LCDR Chuck Dunphy, Ms. Regina Westbrook, Ms. Susan Knisley, Ms. Susan Cooper, Mr. Mike Rush, Mr. Brian Kennedy, Mr. Tony Carrico, Ms. Karen Kramer, Ms. Kathy Brewster, Mr. David McGraw, Ms. Christy Schall, Mr. Gary Guggenbiller, Ms. Lisa Ohl, Ms. Stephanie McCormick, Ms. Penny Morgan-Loper

DFAS YOUR FINANCIAL PARTNER AT WORK

Defense Finance and Accounting Service (DFAS) Wide Area Work Flow (WAWF) Supporting supplies and DLA contracts: Wide Area Work Flow (WAWF) is a paperless DoD-wide application designed to eliminate paper from the receipts and acceptance process of the DoD contracting lifecycle. The goal is to enable authorized defense contractors and DoD personnel the ability to create invoices and receiving reports and access contract-related documents. WAWF supports DoD’s efforts to reduce unmatched disbursements in the DoD receipt, acceptance, entitlement process, through data sharing and electronic processing.

- **BRIEFER:** Ms. Carol Smith

SMALL BUSINESS

Defense Logistics Agency Land and Maritime Office of Small Business Programs will provide an overview of the types of socio-economic set-asides available to small businesses. Throughout the federal government, did you know that each fiscal year there are socio-economic goals in place and utilizing socio-economic program set-asides assists in reaching those goals? Did you know that you can assist in identifying appropriate set aside opportunities? If you are a small business, you don’t want to miss this session to find out if your small business is eligible to participate in these set-aside opportunities. You will also have an opportunity to meet members of the small business team.

- **BRIEFERS:** Mr. William Chavez, Mr. Jim Secrist
BREAKOUT DESCRIPTIONS

REVERSE AUCTIONING
This session will provide suppliers with an overview of DLA Land and Maritime’s use of Reverse Auctions to reduce material costs. Details on Reverse Auction policy and application within our supply chains will be discussed, to include the notification process. The overview will also include a demonstration where suppliers will gain a better understanding of the online tool and its functionality, as well as directions to available training guides and tutorials.

▶ BRIEFERS: Ms. Mindy Tisone, Ms. Mary Johnson, Mr. Carmen Pillitteri

MATERIAL COST REDUCTION (MCR)
This session will provide suppliers with an overview of DLA Land and Maritime’s efforts to achieve significant material cost reductions in an austere budget environment. The overview will focus on the progress of current initiatives, as well as strategies being developed to revise onerous requirements, enhance competition, and leverage economies of scale. Focused engagements with industry partners are essential in developing innovative approaches to drive down acquisition costs.

▶ BRIEFERS: Mr. Heath Berkshire, Mr. Ed Wingo, Mr. Steve Rodocker, Ms. Renee Magill, Mr. Eugene Mitchell, Mr. Ken Goodson

FOREIGN MILITARY SALES (FMS)
This session will provide an overview of the Foreign Military Sales (FMS) program to include a discussion on the importance of the FMS Program in support of the United States’ foreign relations, the projected growth in FMS sales, a discussion on support issues as well as a description of how DLA Land and Maritime manages FMS requirements.

▶ BRIEFERS: CAPT James Dolan, USN, CDR Jonathan Holsinger, USN, Mr. Dan Neidert, Mr. Joe Meyer, Mr. John Evans, Mr. Tim Voelker
DEMAND INTELLIGENCE SHARING WITH INDUSTRY
The Defense Logistics Agency Land Customer Operations in conjunction with the Strategic Acquisition Programs Directorate, will be conducting a follow up to what was presented at The National Defense Industrial Association’s 2012 Tactical Wheeled Vehicle Conference, DLA Land and Maritime’s Industrial Base Outreach briefing. The overview will provide updated analysis of projected sustainment requirements for tactical wheeled vehicles for 2012 to 2014, FMS update and MRAP status and inventories reduction efforts.

» BRIEFERS: COL Jeffrey Vieira, USA, LTC Aaron Fitzsimmons, USA

SOURCE APPROVAL REQUESTS (SAR)
Defense Logistics Agency Land and Maritime Office of Value Management will present a briefing on Source Approval Requests. This session will cover where to find information and guidance about Source Approval Requests including a link to DLA demand histories. New guidance resulting from a Lean Six Sigma project on Source Approval Requests will be presented. The top six items that cause 80% of Source Approval Requests to be rejected will be briefed. The presentation will also include how to submit a Source Approval Request including a sample test plan.

» BRIEFERS: Mr. Dave Szczublewski, Mr. Vern Shaw, Mr. Bob Volk
Mr. Shay Assad, Director, Defense Pricing, OUSD (AT&L)

Mr. Shay Assad assumed the role of Director, Defense Procurement and Acquisition Policy and Strategic Sourcing (DPAP) in April 2006. Mr. Assad is responsible for all Department of Defense (DoD) acquisition and procurement policy matters. He serves as the principal advisor to the Assistant Secretary of Defense for Acquisition (ASD(A)), Deputy Under Secretary of Defense for Acquisition and Technology (A&T) and the Defense Acquisition Board on acquisition/procurement strategies for all major weapon systems programs, major automated information systems programs and services acquisitions.

He is responsible for procuring/sourcing functional business process requirements in the DoD’s Business Enterprise Architecture (BEA) and Enterprise Transition Plan (ETP). Mr. Assad is DoD’s advisor for competition, source selection, multiyear contracting, warranties, leasing and all international contracting matters. He is also the functional leader for contracting and oversees all strategic sourcing within DoD.

Before assuming this position, Mr. Assad was the Assistant Deputy Commandant, Installations and Logistics (Contracts), Headquarters, Marine Corps, Washington, D.C. He had held the position as the Marine Corps’ senior civilian contracting official since June 2004.

Upon graduating with distinction from the U.S. Naval Academy in 1972, he served two tours of duty aboard U.S. Navy destroyers and won recognition as Outstanding Junior Officer, Fifth Naval District. He then served as a Naval Procurement Officer at the Naval Sea Systems Command, where he was responsible for the negotiation and administration of the Aegis Weapons Systems engineering and production contracts.

In August 2007, he received DoD’s medal for exceptional civilian service. In addition, he has also been recognized as an AbilityOne (formerly JAWOD) Champion.
Ms. Nancy Heimbaugh, Director, Acquisition Management, DLA

Ms. Nancy M. Heimbaugh currently serves as Director of Acquisition (J-7), Defense Logistics Agency, Fort Belvoir, Va. In this capacity, she is responsible for the development, application, and oversight of DLA acquisition policy, plans, programs, functional systems and operations. She exercises broad managerial and executive responsibility to integrate Agency acquisition functions, services, policies and procedures into a highly reliable network of logistics support for DLA’s customers. As the Component Acquisition Executive for DLA, she has overall acquisition management responsibilities for the Agency, including an annual Agency acquisition program exceeding $38 billion.

Ms. Heimbaugh’s past assignments include: Executive Director, Contracting and Acquisition Management, Defense Supply Center Philadelphia; Director, Field Contracting, Contracting Management Directorate, Naval Supply Systems Command; Director, Contract Policy Division, Contracting Management Directorate, Naval Supply Systems Command; Chief, Acquisition Policy, Acquisition Directorate, Defense Logistics Agency. Ms. Heimbaugh then served as Chief, Contracting Operations in the Acquisition Directorate at DLA, where she was responsible for overseeing procurement operations at all DLA field contracting activities in support of the DLA Senior Procurement Executive/Component Acquisition Executive. She also served as the DLA Competition Advocate. She became a member of the Senior Executive Service in June 2007.

Ms. Heimbaugh has a Bachelor of Science in Business Administration, magna cum laude, from Strayer University, a Master’s Degree in National Resource Strategy from the National Defense University, Industrial College of the Armed Services, and a certificate of completion from the Defense Acquisition University’s Senior Acquisition Course.

In June 2007, she received the Meritorious Civilian Service Award. In 1999, she was selected into the Defense Leadership and Management Program, a program designed to provide a Department of Defense framework for developing future civilian leaders. In 1996, she received Vice President Gore’s National Performance Review’s Heroes of Reinvention Hammer Award for Electronic Commerce.

Throughout her career, she has worked on various joint acquisition programs and committees within the Department of Defense.
Mr. Milton Lewis, Acquisition Executive, DLA Land and Maritime

Milton K. Lewis is the Executive Director, Contracting and Acquisition Management at Defense Logistics Agency Land and Maritime located in Columbus, Ohio. Land and Maritime has more than 3,000 associates at 53 locations worldwide, to include 10 detached DLA Depot Level Reparable and Supply Storage and Distribution units supporting supply requirements at Army Depots, Naval Shipyards, and Marine Corps Logistics Centers. Defense Logistics Agency Land and Maritime manages more than 2 million spare and repair parts. In 2009, DLA Land and Maritime sales exceeded $5 billion and its procurements were $3.9 billion. Mr. Lewis assumed this position and was inducted into the Senior Executive Service in May 2008.

Mr. Lewis was born in LaGrange, Ga. He is a retired Army colonel with over 29 years of military service. He received his commission as a distinguished military graduate from the Georgia Institute of Technology ROTC program. He holds a Bachelor of Science degree in Chemistry from Morehouse College, Atlanta, and a Master of Science degree in Systems Management from the Florida Institute of Technology, Melbourne, Fla.

Mr. Lewis held a variety of command and staff assignments during his military career. In his final military assignment, he was the Director, Land-Based Weapon System Group with Defense Supply Center Columbus. Other assignments include: Commander, DCMA Southern Europe, Wiesbaden, Germany; Commander, DCMA Lockheed Martin Vought Systems, Dallas, Texas; Chief, Land-based Weapons System Acquisition Unit, DSCC, Columbus, Ohio; Commander, Logistics Support Activity, Roedelheim, Frankfurt, Germany; Materiel Officer, 32nd Army Air Defense Command, Darmstadt, Germany; and Chief, Contracts Branch, Boeing Field Office, U.S. Army Strategic Defense Command, Seattle, Wa.

Prior to assuming his current position, Mr. Lewis was an Acquisition and Logistics Management Consultant for Booz Allen Hamilton, Atlanta. In this position, he was responsible for conducting analysis and developing acquisition, logistics and supply chain management solutions for both government and commercial client organizations. His clients included the U.S. Army Aviation and Missile Command, the United Arab Emirates Armed Forces, the New York Metropolitan Transportation Authority, AgustaWestlandBell, the Defense Logistics Agency, and Bayer MaterialScience.

Mr. Lewis is a graduate of the U.S. Army War College, the U.S. Army Command and General Staff College, and numerous military acquisition and logistics courses, to include the Defense Systems Management College's Program Manager's Course.

His awards and decorations include: the Defense Superior Service Medal (two), the Defense Meritorious Service Medal (two), the Meritorious Service Medal (five), the Army Commendation Medal (two), the Joint Service Achievement Medal, and the NATO Medal.
Mr. James McClaugherty, Deputy Commander, DLA Land and Maritime

James M. McClaugherty is the Deputy Commander of Defense Logistics Agency Land and Maritime, which is located in Columbus, Ohio. A member of the Senior Executive Service since May 2003, he is co-responsible for the logistics operations of DLA Land and Maritime's more than 3,000 associates at 53 locations worldwide, to include 10 detached Defense Logistics Agency Depot Level Reparable and Supply, Storage and Distribution units supporting supply and procurement requirements at Army depots, Naval shipyards, and Marine Corps logistics centers. He is directly responsible for supply chain functions to include management of more than 2 million spare and repair parts and an annual budget of about $4 billion in support of operating and industrial forces around the world. In 2009, DLA Land and Maritime's sales were more than $5 billion with procurements totaling $3.9 billion with an operating budget of $667 million. He became Deputy Commander in April 2003.

Born in Charleston W. Va., Mr. McClaugherty grew up in Delaware and Connecticut, and now resides in Westerville, Ohio. A retired Air Force Colonel with 30 years of military service, Mr. McClaugherty earned a bachelor's degree in History from Trinity College, in Hartford, Conn. in 1970, and a master's degree in Logistics Management from the Air Force Institute of Technology at Wright-Patterson AFB, Ohio, in 1979.

His 30-year career included an Air Staff tour in the Pentagon from 1983-1988 and the command of Johnston Atoll in the Pacific Ocean from 1989-1990. At the Air Force Logistics Center, Kelly Air Force Base, San Antonio, Texas, Mr. McClaugherty was the Engine Division Chief from 1990 to 1992, the Director of Commodities from 1992 to 1993, the Director of Propulsion from 1993 to 1994 and the Single Manager for Propulsion from 1994 to 1995. He served as the Director of Readiness and Business Operations at the Defense Supply Center Columbus from 1995 until his military retirement in 2000. For eight months in 1998 he was the acting DSCC Deputy Commander.

After his retirement from the Air Force, Mr. McClaugherty accepted the civilian position of deputy director of DSCC's Readiness and Business Operations Office, and in July 2002 became the office’s civilian director. In this position, he was the principal staff advisor to the Commander and Deputy Commander on all aspects of inventory control point plans and operations. He was delegated authority to monitor, oversee, evaluate, and direct the efforts of principal staff elements and five major inventory control point directorates. He held this position until being named Deputy Commander in April 2003.

His awards include two Defense Superior Service Medals, the Legion of Merit and the Airmen's Medal for peacetime heroism as well as the Exceptional Civilian Service Award, the Meritorious Civilian Service Award, and the DLA Director's Award for Organizational Excellence.
Mr. Paul Peters, Deputy Assistant Secretary of Defense, Supply Chain Integrations

Paul Peters is the Deputy Assistant Secretary of Defense for Supply Chain Integration within the Office of the Assistant Secretary of Defense for Logistics and Materiel Readiness. In this capacity, he is responsible for development of logistics strategy and global supply chain management policy, and provides oversight for inventory management and distribution, logistics capability portfolio management, and development of logistics human capital strategies. He assumed his current position in January 2010.

Mr. Peters previously served in key positions with the Defense Logistics Agency as the Deputy Director for Logistics Operations and Readiness, Deputy Commander of the Defense Distribution Command, Director of the Defense Reutilization and Marketing Service, and Business System Modernization Program Manager. In these positions, he was responsible for overseeing and providing a full range of forward and reverse logistics services to combatant commands, military services, and other federal and state agencies around the world. Under his leadership, the reengineering of Defense disposal processes to address national security risks and vulnerabilities was accomplished; the assessment and improvements in the inventory management and process controls for nuclear weapons related materiel were established; and the acquisition, development and implementation of DLA’s primary business transformation program utilizing Enterprise Resources Planning commercial-off-the-shelf software were successfully completed.

Mr. Peters’ 25 years of federal service also include assignments with the Navy and Air Force. His Navy assignments include roles as deputy program manager for NAVSUP’s One Touch Support Program; a limited term appointment as executive director of DASN (CP&EEO) Human Resources Operations Center leading the reengineering of the human capital business model; director of SUP21 Reengineering Office managing the SMART Enterprise Resources Planning program through software selection at Naval Supply Systems Command; and Executive Director of NAVSUP’s Fleet Industrial Supply Center, Norfolk, Va.

His Air Force experience includes assignments with the Air Force Audit Agency; HQ AFLC Logistics Modernization Systems program analyst; HQ Air Force Materiel Command Depot Maintenance Management Information System Office chief; Programmed Depot Maintenance Scheduling System Program manager; Joint Logistics Systems Center Directorate of Maintenance Business Office chief; and leader of JLSC Commander’s Action Group. He also represented the deputy undersecretary of defense for logistics in the Joint Chiefs of Staff for Logistics office.

Prior to entering Federal Service, he was a corporate auditor and tax accountant with Arthur Andersen & Company. Mr. Peters graduated from Wright State University with a Bachelor’s Degree in Accountancy, passed the Certified Public Accountancy exam, and is Level III and Level II certified in program management and communications-computer systems, respectively. He completed the Federal Executive Institute residential “Leadership for a Democratic Society” Executive Development Program. He has received the DLA Exceptional, Meritorious, and Superior Civilian Service Awards, twice received the Navy Meritorious Civilian Service and Air Force Exemplary Civilian Service Awards. He has received the 2004 DLA Top Ten Employee Award and was twice recognized as a Top 100 Federal Executive. Mr. Peters was selected for membership in the Senior Executive Service in 2006.
BG Darrell Williams, USA, Commander, DLA Land and Maritime

Brigadier General Darrell K. Williams, USA, assumed Command of Defense Logistics Agency (DLA) Land and Maritime in Columbus, Ohio on September 24, 2010. He oversees the end-to-end integration of DLA's Land and Maritime Supply Chains delivering repair parts to all Military Services. He directs the efforts of over 3,100 associates at 54 locations worldwide, to include 10 detached DLA Depot Level Reparable and Supply Storage and Distribution units; meeting the supply requirements at Army Depots, Naval Shipyards, Marine Corps Logistics Centers and deployed units. DLA Land and Maritime's core functions include purchasing materiel, monitoring inventory levels, maintaining technical data, and assuring quality conformance of over 2.1 million spare and repair parts. In 2010, DLA Land and Maritime sales exceeded $5 billion and its procurements were $3.9 billion.

A native of West Palm Beach, FL, General Williams came to Land and Maritime from Headquarters, United States Pacific Command (USPACOM), HI, where he served as Director of Logistics, Engineering and Security Assistance. Assignments prior to USPACOM were as Executive Officer to Army Deputy Chief of Staff, G4 (Logistics) and Brigade Commander, 3d Sustainment Brigade, Fort Stewart, GA. General Williams earned a Bachelor of Arts degree in Psychology from Hampton Institute, Hampton, VA, where in 1983 he was also commissioned a Second Lieutenant in the Army Quartermaster Corps. He is a graduate of the Army Command and General Staff College and School of Advanced Military Studies, Fort Leavenworth, KS where he earned a Masters degree in Military Arts and Sciences. As a Distinguished Graduate of the National War College, Fort McNair, Wash, D.C., he also holds a Masters degree in National Security and Strategic Studies. General Williams further holds a Masters degree in Business Management (Logistics) from The Pennsylvania State University, State College, PA. General Williams has commanded units at the company, battalion, brigade and enterprise levels and has served in key logistics staff positions at the tactical, operational/joint, and strategic levels. His assignment to continental U.S. and overseas duty locations include: Fort Bragg, NC; Fort Lee, VA; Fort Stewart, GA; Fort Leavenworth, KS; Pentagon, Wash D.C.; Korea; Germany and Hawaii. General Williams has also deployed to Kosovo, Kuwait, and Iraq in support of national military operations. His awards and decorations include the Defense Superior Service Medal, Legion of Merit (2 OLC), Bronze Star Medal (1 OLC), Defense Meritorious Service Medal, Meritorious Service Medal (2 OLC), Army Commendation Medal (5 OLC), Army Achievement Medal (1 OLC), Combat Action Badge, Parachutist and Parachute Rigger badges.
EXHIBITOR

Accusonic Voice Systems

Booth 726

Incorporated in 1992 AVS is a world-class developer and manufacturer of tactical communications ancillaries. AVS maintains a QPL for 3inch and 4inch tactical speaker drivers and is only one of two companies within the United States that maintain this qualification. Speaker solutions from AVS are designed to be rugged and to meet and exceed the strict requirements of MILSTD-12606 and Mil 12632D.

AEG GROUP

Small Disadvantaged Business - System Integrator for Motorola, Cambium and Larsen communication systems

AGH INDUSTRIES

Since 1971, A.G.H. Industries, Inc., a SDVOSB, has provided an assortment of products for the Department of Defense and other end users. Our excellence in project management and build-to-print manufacturing is controlled through our ISO 9001:2000 system. Our 20,000 sq. ft. office and manufacturing facilities are located in Fort Worth, Texas.

Allswell Supply Co.

Booth 816

Allswell, a provider of green supply chain products introduces the new Pallet WrapZ. The PWZ takes the place of plastic stretch wrap when shipping on pallets. The reusable wrap is safer and stronger than plastic film and initial testing has shown it to last for 18 months or more. Industry clients include Coke, Safeway Foods, Menard’s, Jepsen a div. of Boeing and others. Look at http://www.palletwrapz.com to see a 40 second video of it being installed. One person, no tools, fast, easy simple. Repeat.

AM General

Booth 317

AM General, LLC, designs, engineers and produces military and special purpose vehicles including the military Humvee. Other work includes worldwide parts distribution, training, engineering services and engine and transmission manufacturing.

American Innotek, Inc

Booth 715

For the safe containment of human waste, Brief Relief stands alone. Its patented products protect the health and safety of today’s mobile workforces — those in emergency response, government and military markets, to those with no access to traditional restrooms. Brief Relief products meet all environmental standards and provide a clean, portable, private and portable field lavatory solution for men and women. Brief Relief: Does its job, so you can do yours. See us at Booth 715.

Aqua-Chem

Booth 717

Aqua-Chem provides system integration solutions for Water Purification to produce fresh water for America’s Warfighter. Our processes include: engineer, design, manufacture and test and repair parts supply for Water Purification Systems. We are an ISO9001 certified facility. Located in Knoxville, Tennessee providing low risk of product delays due to inclement weather and long transport times. Conveniently situated at the intersection of interstate 40 and 75, minutes from McGhee Tyson Airport, an active rail spur into the plant and ready access to the Tombigbee Waterway.

Argo Turboserve Corporation (ATC)

Booth 711

Founded in 1982, ATC’s Marine & Industrial Division serves the US Navy and commercial marine markets. We are a genuine factory spare parts distributor for Dresser-Rand, General Electric, Dewey Electronics, and many other marine and electrical OEM’s.

Aurora Bearing Company

Booth 407

Leading supplier of bushings, rod ends and spherical bearings to the Aerospace and Land Vehicle markets. MIL-B-81820 approved. Small Business

AVIALL

Booth 813

Aviall is headquartered in Dallas, Texas. As one of the world’s largest providers of new aviation parts and related aftermarket operations, Aviall markets and distributes products for more than 235 manufacturers and offers approximately 2,000,000 catalog items from 40 customer service centers located in North America, Europe, and Asia-Pacific. Aviall provides maintenance for aviation batteries, wheels and brakes, as well as hose assembly, kitting and paint-mixing services. The company also offers a complete set of supply chain and logistics services, including order processing, stocking and fulfillment, automated inventory management, and reverse logistics to OEMs and customers. Aviall works with Government customers to transform current supply chain management practices by combining its proven commercial best practices with efficiently implemented Federal Acquisition Regulation (FAR) compliant processes. From our AS9100-registered central distribution center in Dallas, to customer service centers around the world, Aviall is committed to supplying the right part at the right time.

B.R. Williams

Booth 327

BR Williams is a Logistics company that has been in continuous operation since 1958. We focus on providing Transportation, Warehouse/Distribution, and Brokerage/LTL services to the 48 contiguous states and Canada. Crestwood Technology Group (CTG) combines the broadest selection of obsolete and hard-to-find electronic components, hardware, semiconductors and other parts with unparalleled in-house testing capabilities and a team of knowledgeable professionals that create customized solutions to fit each customer’s specific needs. CTG has built a strong reputation as an advocate for quality control and is a leading voice in the fight against counterfeiting. This begins with a foundation of strict quality assurance of all inventories in accordance with certified ISO 9001 quality procedures, including compliance with AS 9120 and ANSI/ESD-S20.20. CTG is also CCAP-101 Certified and ASA-100 Certified.

CTG has a proven track record as an approved and qualified supplier to organizations with the most stringent quality standards, including the United States Armed Forces and major companies in the Aerospace and Defense, Biotechnology, Telecommunications, Medical, Marine, and Commercial and Industrial Manufacturing industries. CTG is committed to 100% customer satisfaction through proven quality assurance and "on time, every time" delivery of certified authentic parts and equipment from inventories that are new, in stock, factory-fresh, immediately available and ready to ship.

CTG is a woman-owned small business that has received the Boeing Silver Performance Excellence Award every year since 2008, and was named Lockheed Martin Small Business of the Year in April 2010.

CTG’s Rapid Quote and 24/7 Inventory Search features enable clients to meet their urgent and critical component and equipment needs. For more information, please visit www.CTG123.com.
