PART I - Instruction to Vendors for the Submission of Quotes and PACE Evaluation:

Quoters/Offerors are encouraged to conform their delivery terms as closely as possible to the delivery days requested.

This solicitation, called the DLA Master Solicitation for Automated Simplified Acquisitions (Part 13), is used for the solicitation of Request for Quotes (RFQ) and the award of Purchase Orders for automated BSM acquisitions valued up to $100,000, for each of the Defense Supply Centers: Defense Supply Center Columbus (DSCC), Defense Supply Center Philadelphia (DSCP), and Defense Supply Center Richmond (DSCR). The DLA Solicitation for Automated Simplified Acquisitions (Part 13) is effective in May 2004 with the BSM Retrofit Release.

Effective in May 2004, the DLA Master Solicitation for Automated Simplified Acquisitions (Part 13) is referenced in all RFQs valued up to $100,000 that are located on the DLA Internet Bid Board System (DIBBS). Each RFQ contains a web link to this solicitation.

Vendors are required to read provisions 52.213-9007 and 52.213-9008 of this solicitation to understand the solicitation, evaluation, and award process for BSM acquisitions valued up to $100,000 as of May 2004. Each provision is provided in full text in Part I of this Master Solicitation.

The DLA Master Solicitation for Automated Simplified Acquisitions (Part 13) will be updated from time to time to reflect changes in law, regulation, and acquisition policies and procedures. Vendors should not assume that a copy of the DLA Master Solicitation for Automated Simplified Acquisitions (Part 13) once downloaded, will remain effective. Updates to the DLA Master Solicitation for Automated Simplified Acquisitions (Part 13) will be identified by a date and revision number. Changes to the DLA Master Solicitation for Automated Simplified Acquisitions (Part 13) will be highlighted in each revision. Prior versions or the DLA Master Solicitation for Automated Simplified Acquisitions (Part 13) will be archived and available.
