NECC/NECCPAC Manpower Review

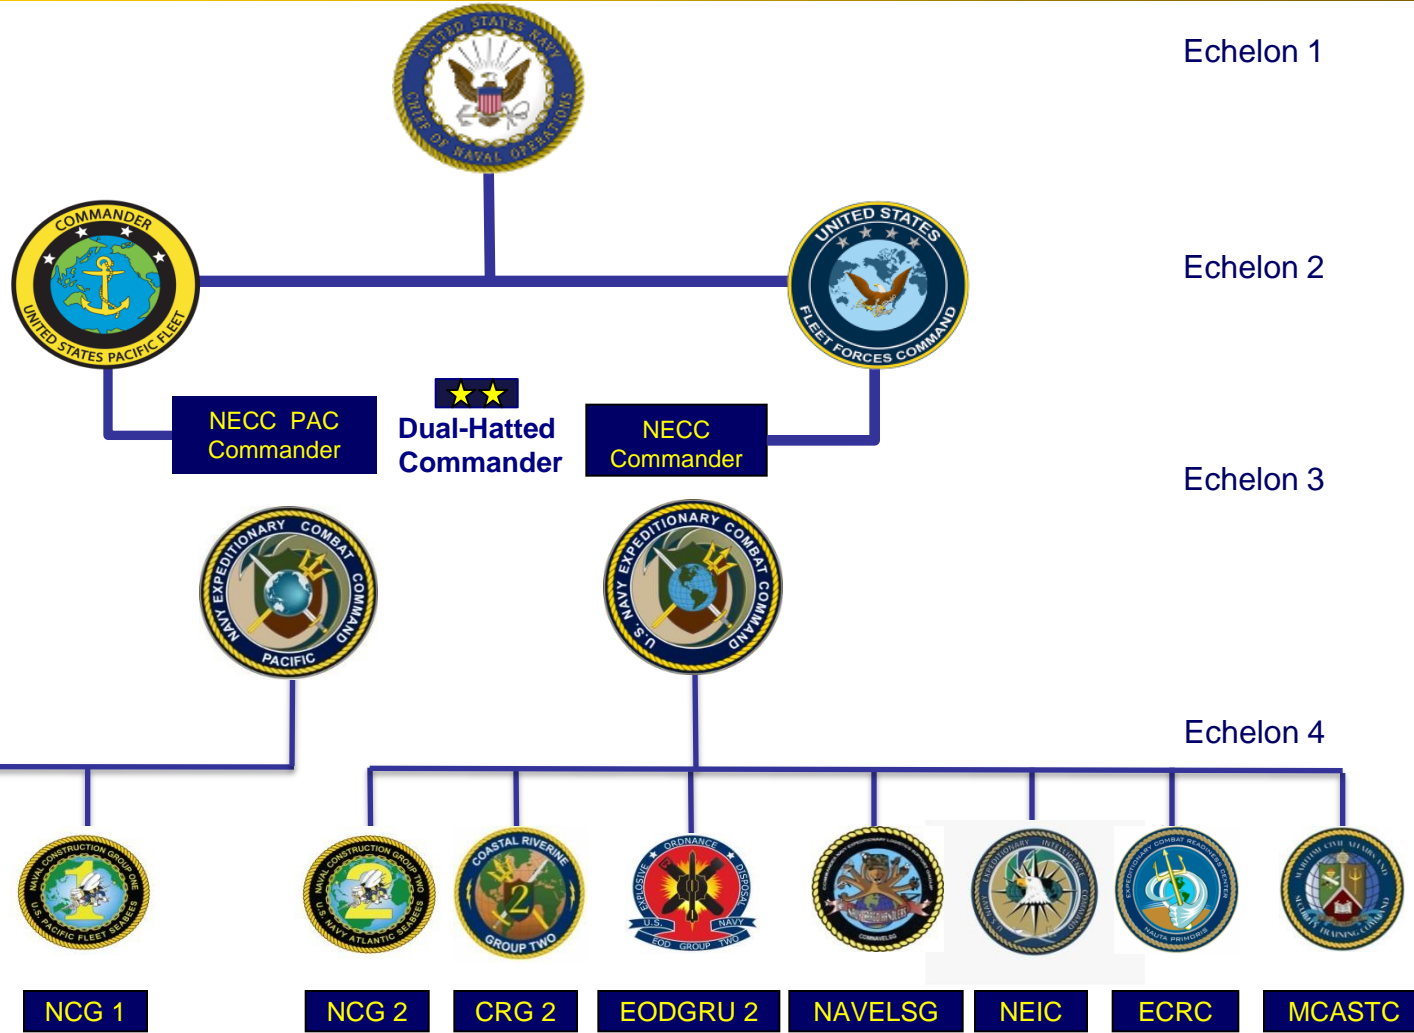

Total Manpower

• FY15 Based on PBIS 6 Feb 2014
• FY00 to FY13 from various historical PB table

NECC Organization

COMNECC

POM-16 Strategy

- **Meet CNO's tenets of *Warfighting First, Operate Forward, and Be Ready***
- **Preserve capacity to enable Navy Expeditionary Forces to:**
 - Control and protect the battle-space at the sea-shore interface;
 - Protect high value assets in the littorals and restricted waterways;
 - Protect critical Navy infrastructure; and
 - Provide naval capability which the joint community is unable to fill for the fight ashore
- **POM priorities**
 1. Force Capacity
 2. Force Protection/Force Application
 3. Command and Control
 4. Battlespace Awareness
 5. Logistics

EOD GLOBAL MISSION FOCUS
