

Industrial Committee of Ammunition Producers (ICAP)

26 February 2014

Karen Davies
Industry Chair, ICAP

Industrial Committee of Ammunition Producers

- **ICAP Mission and Charter**

- Forum to discuss issues, policies, procedures and initiatives effecting the munitions community

- **Membership**

- Extensive government leader participation
- Open to NDIA/NTIB members from munitions community

- **Unique structure of sector leadership vs. company leadership**

- 9 sectors with multiple companies in each

- **Meetings and events**

- ICAP Leaders meet twice/year – AUSA (Oct); NDIA Munitions Executive Summit (Feb); special actions and subcommittees as needed
- Sector leader telecons/meetings with member companies
- Webinars monthly—open to all sector members
