Department of Defense

One of Nine Combatant Commands
Evolution of USSTRATCOM

1946

1961

1992

2002
**Mission**

USSTRATCOM conducts global operations ICW other Combatant Commands, Services, and appropriate USG agencies to deter and detect strategic attacks against the U.S. and its allies, and is prepared to defend the nation as directed.

**Priorities**

- Deter strategic attack
- Provide the Nation with a safe, secure, effective nuclear deterrent force
- Build enduring relationships with partner organizations to confront the broad range of global challenges
- Address challenges in space
- Build cyberspace capability and capacity
- Anticipate change and confront uncertainty with agility and innovation
Mission Statement: USSTRATCOM conducts global operations ICW other Combatant Commands, Services, and appropriate USG agencies to deter and detect strategic attacks against the U.S. and its allies, and is prepared to defend the nation as directed.

USSTRATCOM Responsibilities

- Strategic Deterrence
- Space
- Cyber
- Joint EW
- Global Strike
- Missile Defense
- ISR
- CWMD
- Analysis & Targeting

USSTRATCOM Campaign Concept

Strategic Objectives

- Deter Potential Adversaries From Conducting Strategic Attacks and Assure Allies and Partners regarding U.S. Defense Commitments
- Operate and Sustain the Joint Force
- Enhance the Combat Capability of the Joint and Combined Force

The campaign arranges USSTRATCOM’s activities and operations and messages in time, space, and purpose to achieve deterrence and assurance through the Commander’s Strategic Objectives.

Effective synchronization of USSTRATCOM activities creates, strengthens, or preserves conditions favorable for the advancement of U.S. interests.

Nuclear Task Forces

- **Pacific Submarines**
  - RADM Sawyer
  - TF 134

- **Airborne Command and Control**
  - CAPT Cole
  - TF 124

- **Intercontinental Ballistic Missiles**
  - Maj Gen Weinstein
  - TF 214

- **Atlantic Submarines**
  - VADM Connor
  - TF 144

- **Tankers**
  - Lt Gen Everhart
  - TF 294

- **Bombers**
  - Maj Gen Vander Hamm
  - TF 204

- **Intercontinental Ballistic Missiles**

- **Tankers**
# USSTRATCOM Snapshot

## Strategic Deterrence/Nuclear Ops
- 24x7 Deterrence Operations
- Nuclear Enterprise Leadership
- Nuclear Command & Control

## Missile Defense
- Synchronize Global MD Planning
- Coordinate Global MD Asset Management
- Support GCCs

## Combating WMD
- Synchronize Global CWMD Planning (Global Sync Conf)
- Activated SJFHQ-E of WMD

## Space Operations
- SSA Ops: Tracking 22,500+ Objects
- Conjunction Analysis: 1,200 Satellites
- 30+ SSA Sharing Agreements
- Monitoring Space Weather

## Surveillance & Reconnaissance
- Global Force Management of ISR Assets
- Support to GCCs

## Analysis and Targeting
- Joint Warfare Analysis Center

## Cyberspace Operations
- Operation GLADIATOR
- PHOENIX / SHIELD
- Defense of the DoDIN
- Cyber Ops As Directed

## Joint Electronic Warfare
- Support to other CCMD Ops

## Exercises & Training
- GLOBAL THUNDER
- GLOBAL LIGHTNING
- CYBER FLAG
- Team with GCCs
