  - ✓ BLU 117 2,000 lb General Purpose Bombs
  - ✓ MK-84 Bomb Fin

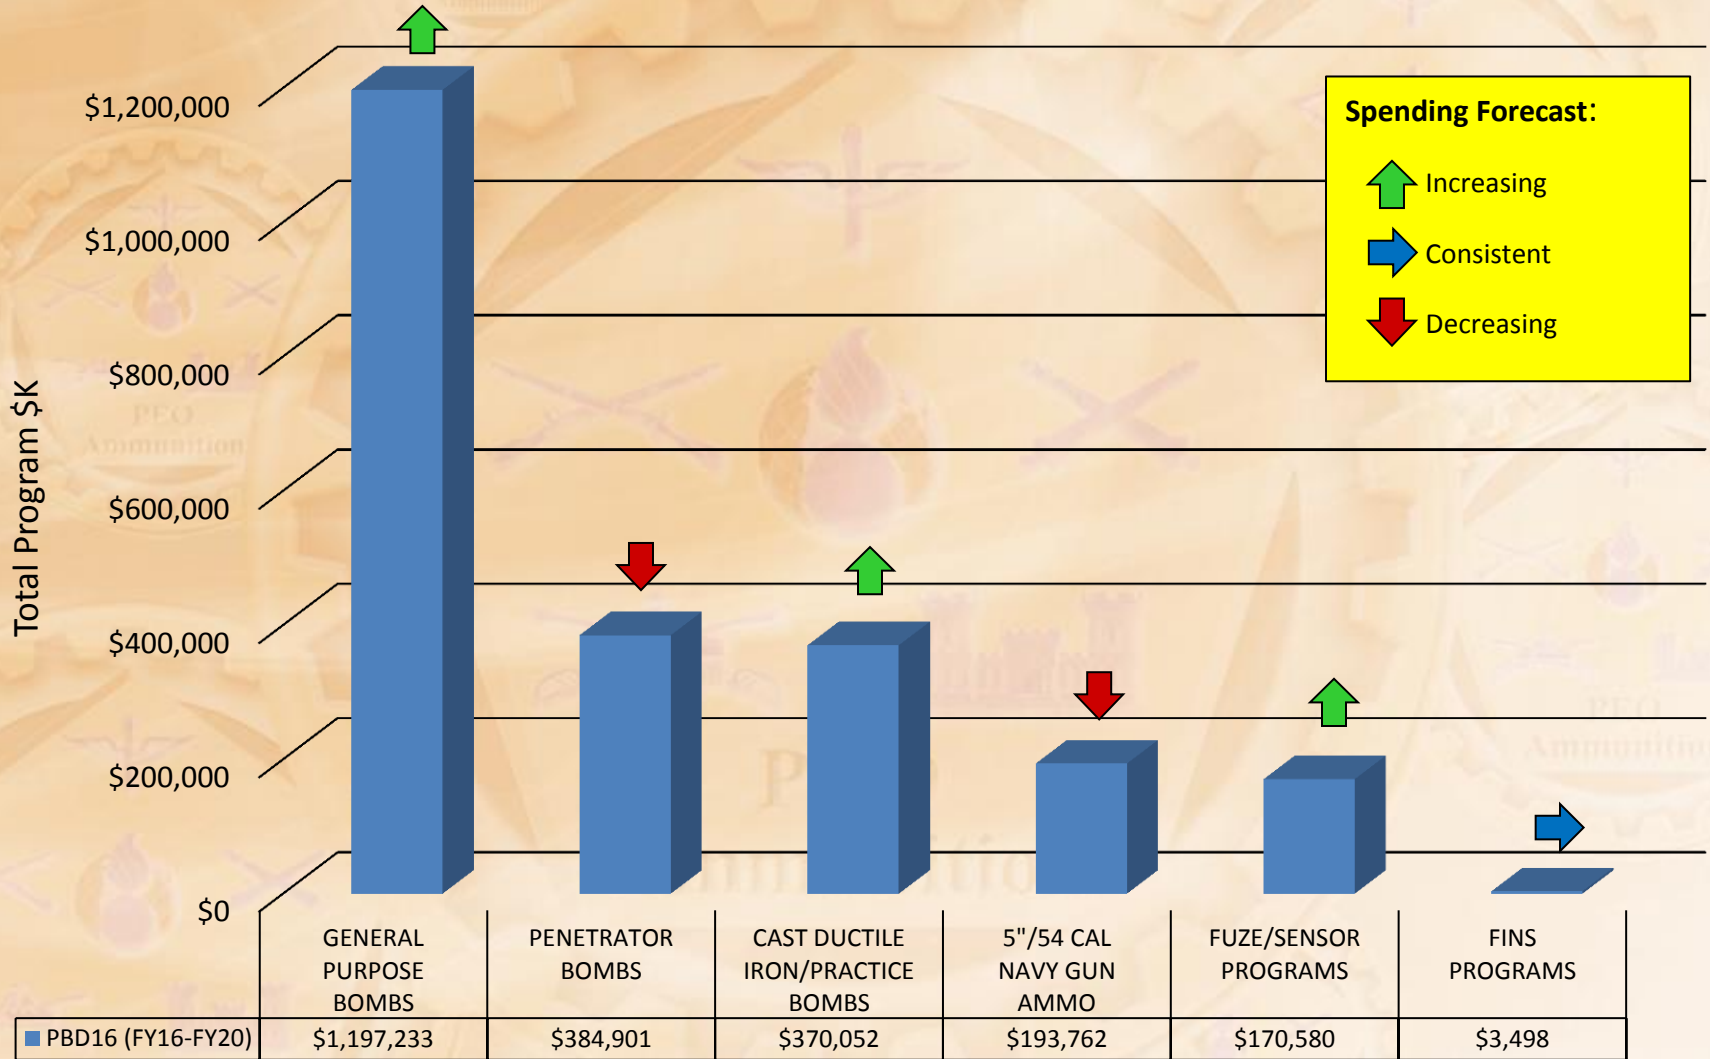

# Industrial Base Challenges

- Some budgeted requirements will push the lower limits of minimum sustaining rates and limit incentive to bid
- Need flexibility in both contracts and production facilities to absorb fluctuations in customer funding
  - ✓ Will strive to maintain competitive opportunities
  - ✓ Fixed price multiple year contracts
  - ✓ Ability to produce fewer than 12 months of production, shut down and restart each year

# Budget Outlook

Represents Other Service Dollars (Air Force and Navy)

Total Portfolio ~\$2.3B

# FY16 Competitive Opportunities
