DLA Land & Maritime Supplier Conference & Exposition

“Maximizing Warfighter Readiness Today and Tomorrow... the Strategic Advantage of Better Buying Power”
Welcome to the Defense Logistics Agency (DLA) Land and Maritime Supplier Conference & Exposition!

This year’s theme “Maximizing Warfighter Readiness Today and Tomorrow…the Strategic Advantage of Better Buying Power” aligns with Department of Defense’s focus on Better Buying Power 3.0. In support of this effort, DLA’s Strategic Plan focuses on collaboration, innovation and smart investments among the workforce’s top priorities. Through working with industry, DLA can integrate innovation into its business practices. DLA’s business model has evolved from a very transactional model to one that values long-term relationships. Better Buying Power asks us all to think about the next evolution, one that creates greater synergy with our service partners and incentivizes industry to improve their products.

Whether you are a small business looking to start a relationship with DLA, or have been part of our team and working with us for years, we are happy you have joined us to work together to maximize warfighter readiness through Better Buying Power.

10:35 AM  LARGE BUSINESS PANEL
Uncertainties abound as budgets remain tight, a new Administration will soon ascend to power and new Service Chiefs are beginning to implement their visions. The Government-Industry partnership that is the heart and soul of DLA L&M will be challenged as never before to sustain warfighter readiness around the globe. This panel of Land and Maritime defense business executives will explore the current trends impacting warfighter support, the challenges they see now and into the future and potential opportunities for improving the partnership’s performance.

MODERATOR: COL Gregory Potts, USA (Ret), The Principal, GFP Consulting
         ▶ COL Mike Ivy, USA (Ret), Vice President, Global Integrated Product Support, Oshkosh Corporation
         ▶ Mr. Chris Vanslager, Executive Vice President, Defense Programs, AM General
