NDIA

**Industrial Committee of
Ammunition Producers**

Objective of ICAP

- **OBJECTIVE:** To provide a forum for the open exchange of Government and Industry views related to the Department of Defense ammunition area. Specific objectives include:
 1. Review and discuss Government ammunition acquisition policies, procedures, and actions.
 2. Report on the health of the various sectors of the ammunition industry.
 3. Identify impediments to sustaining a responsive ammunition industrial base.
 4. Provide a platform for identifying issues related to the ammunition life-cycle, from development through disposal.
