What We Do

Naval Special Warfare

Overview

- Demand for Special Operations Forces (SOF) and Naval Special Warfare (NSW) continues to grow in a fiscally constrained environment
- Current operations focused on counter-VEO
- Smaller, disaggregated elements more reliant on organic support
- Sea based support to SOF has become increasingly important
- Planning and resourcing for Major Combat Operations

Opportunities for Industry

Capability Development Priorities

- **Intelligence Surveillance and Reconnaissance (ISR)**
- **Payloads**
- **Situational Awareness**
- **Stealth**
- **Survivability**
- **Lethality**
- **Interoperability / integration**
