

*Expeditionary Warfare
Conference*

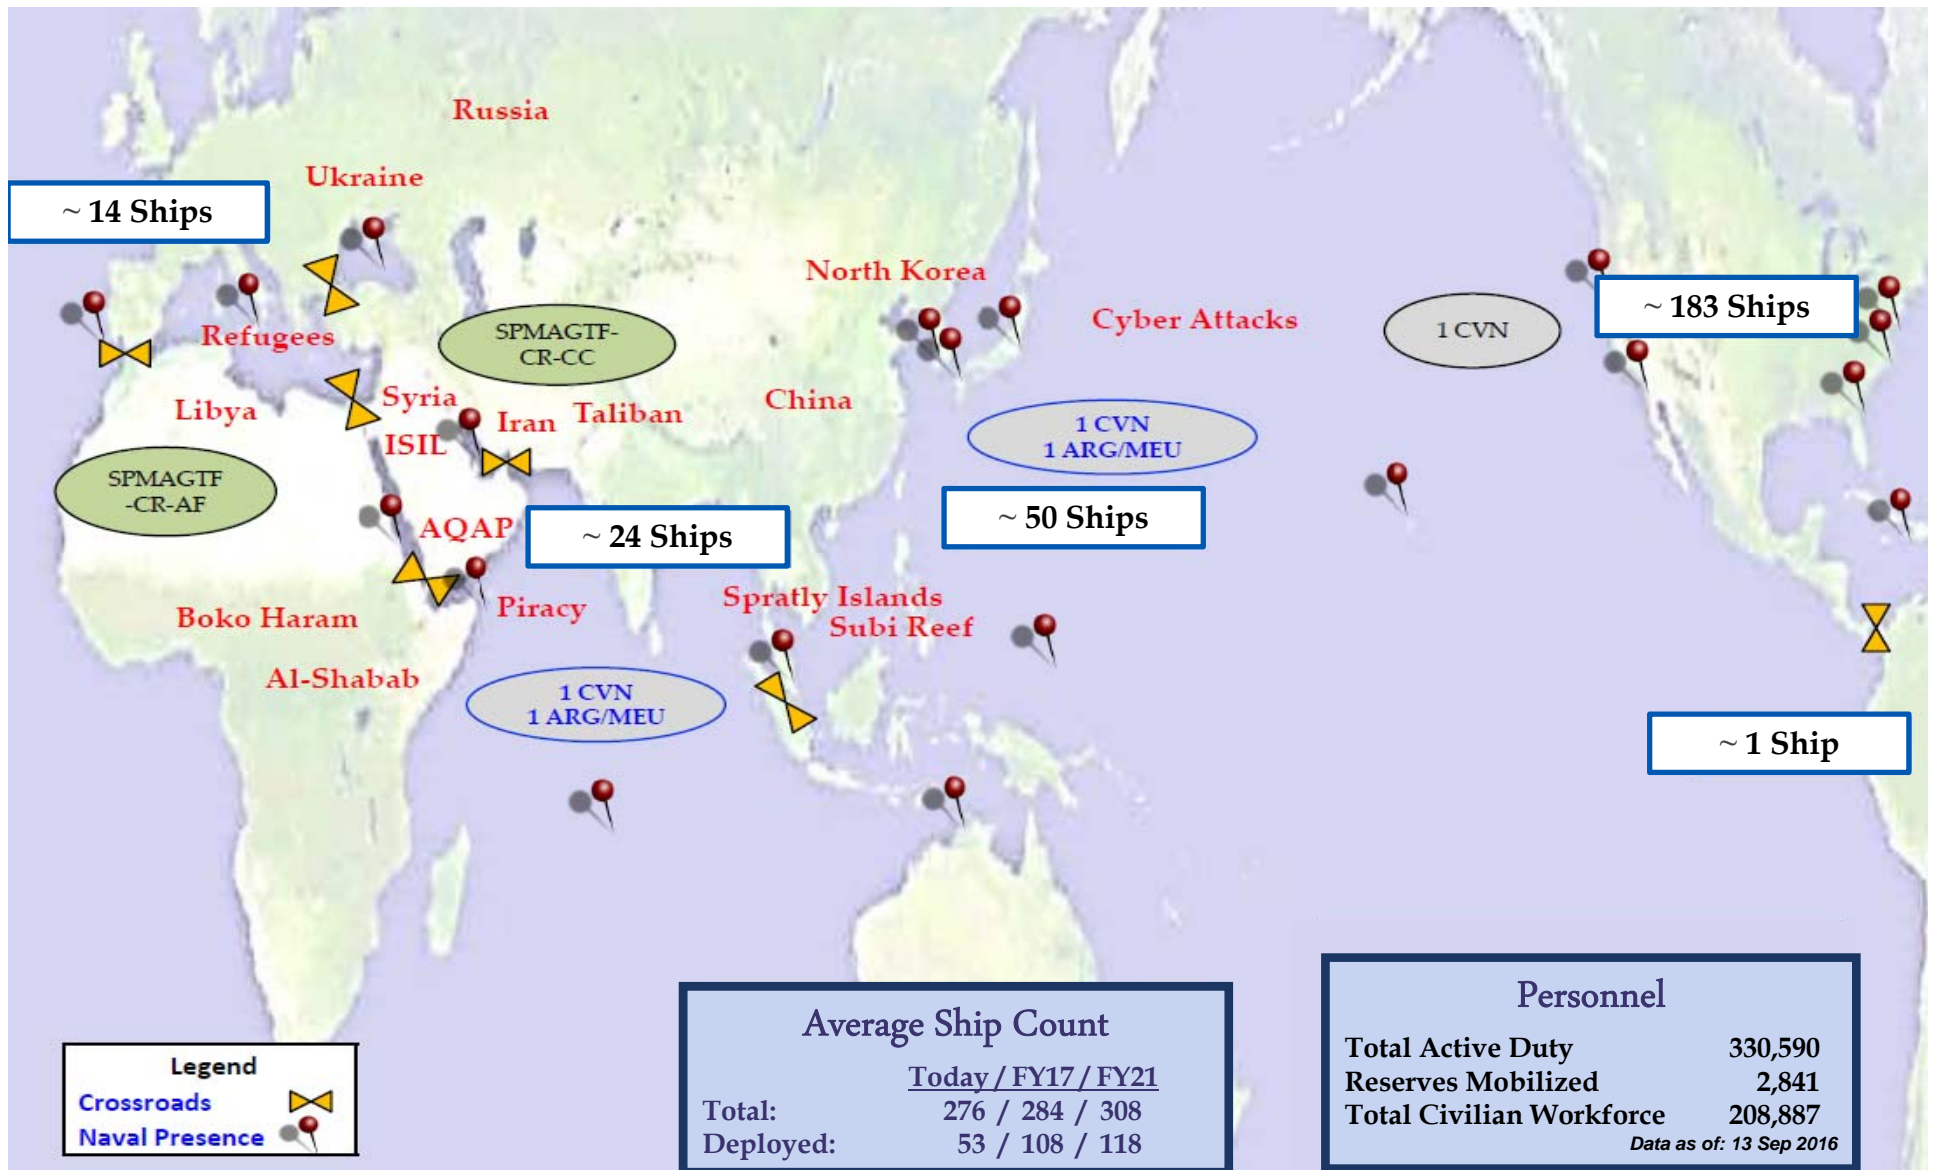

Keynote Presentation

Mr. Jay Stefany

Executive Director, Amphibious and Auxiliary Ships, PEO Ships

October 12, 2016

Global Engagement on a Daily Basis

Executing Navy Priorities

CNO

- Strengthen Naval Power At & From the Sea
- Achieve High Velocity Learning
- Strengthen Our Navy Team for the Future
- Expand & Strengthen our Network of Partners

ASN(RDA)

- Getting the Requirements Right
- Making Every Dollar Count
- Performing to Plan
- Minding a Healthy Industrial Base
- Strengthening Acquisition Workforce

COMNAVSEA

- On-Time Delivery of Ships and Systems
- Culture of Affordability
- Cyber Security

TEAM SHIPS

Design, acquire, modernize, and support the current and future Surface Fleet from cradle to grave.

Team Ships Focus Areas

Affordable, Effective Management of Programs

- Reduce program costs while meeting Warfighter requirements.
- Work with Fleet and Industry stakeholders for innovative solutions that more affordably acquire and maintain the surface fleet.

Effective Life Cycle Management for Surface Ships

- Maintain life cycle perspective in carrying out “Cradle to Grave” responsibilities for surface ships and craft.
- Lead collaboration across organization boundaries to resolve ship life cycle issues.

Fleet Introduction and Training

- Provide new ships and systems that enter the Fleet with the highest level of material readiness.
- Ensure pre-commissioning units and in-service ships are adequately equipped and Sailors trained to operate and maintain the delivered systems.
- Provide training, documentation, equipment, and tools to the shore activities that are vital in operating and maintaining ships and ship systems.

Adaptable Workforce and Talent Management

- Promote individual and organization behaviors that enable knowledge sharing, innovation, and constructive results.
- Promote a work environment and culture of improving communication and morale.
- Increase knowledge sharing and formal training opportunities for all personnel levels.
- Lead the transition to Acquisition Demo personnel management system.
