HUMANITARIAN
FOUNDATION

*An Organization of
Innovation*

August 2016

Profile

- 501(c)(3) Non-profit Public Charity
- Established 1998
- Mission: *The development of materials, technologies, and training designed to combat explosive remnants of war.*
- Focus on Training and Technology

Explosive Harvesting Program

Innovation

- Explosive Harvesting Program (EHP)

Training

- Humanitarian Mine Action Support
 - U.S. Army, U.S. Navy, USMC in Cambodia, Vietnam, and Solomon Islands
- SUPPORTS HMA deployments
- SUSTAINS HMA training and skills in between deployments

Advanced Ordnance Training Aids (AOTM)

- Addresses a chronic shortfall at EOD Training Centers Worldwide
 - Complements larger assistance packages
- Provides high quality training materials while eliminating issues with:
 - Risks of Inerting
 - Availability of Donor Ordnance
 - Availability of Skilled Technicians
 - Cost of Inerting
 - International Shipping Restrictions

Cluster Munitions Destruction

- Moldova:
 - Applied Golden West technical expertise supporting a Norwegian People's Aid (NPA) program
 - Moldova is first country to destroy all cluster munitions in their military arsenals
