Philosophical Changes

The Navy will streamline/modernize to 8 Key In-Service weapons

4 Non-Repairable

4 Repairable

Philosophical Changes

- Enforcing current Navy's Maintenance and Material Management (3-M)
 - Placing additional checks in the requisition process that no longer allow units to return unit level repairable weapons.
 - No longer returning weapons based on strictly defined weapon service life
- Enhancing Authorized Unit Modifications Via Applicable Equipage List (AEL)
 - Allows increased adaptability of service common configuration to mission specific requirements
