Opening Remarks

Mr. ANTHONY J. SEBASTO, SES
Executive Director, Enterprise and Systems Integration Center (ESIC),
RDECOM-ARDEC, Picatinny Arsenal, NJ
• Supporting the Nation and the Warfighter is our top priority
• Be agile, ready for change, prepared for the future threat
• To empower and unburden the Warfighter, we must innovate
• The key to innovation is collaboration between:
  – Government entities
  – Businesses
  – Non-traditional contractors
  – Academia
• RDECOM ARDEC’s approach: Develop Platform-Agnostic Multi-Role Armament Systems and Multi-Role Munitions capable of a full spectrum of operations
The Armament System is central to all Combat Platforms in order to Eliminate Threats/Targets.
