Presidential Executive Order on Reducing Regulation and Controlling Regulatory Costs

EXECUTIVE ORDER

REDUCING REGULATION AND CONTROLLING REGULATORY COSTS

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Budget and Accounting Act of 1921, as amended (31 U.S.C. 1101 et seq.), section 301 of title 3, United States Code, and section 301 of title 3, United States Code, hereby ordered as follows:

Presidential Executive Order on Enforcing the Regulatory Reform Agenda

EXECUTIVE ORDER

ENFORCING THE REGULATORY REFORM AGENDA

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to lower regulatory burdens on the American people by implementing and enforcing regulatory reform, United States to alleviate
EO 13771 “Reducing Regulations and Controlling Regulatory Costs”

- Regulatory Cap “…for every one new regulation issued, at least two prior regulations be identified for elimination…”

- APA “Any agency eliminating exists costs associated with prior regulations … shall do so in accordance with Administrative Procedure Act.”

- Burden “…any new incremental costs associated with new regulations shall… be offset by the elimination of existing costs associated with at least two prior regulations”
EO 13777 “Enforcing the Regulatory Reform Agenda”

• Each Agency shall identify a Regulatory Reform Officer

• Each agency shall establish a Regulatory Reform Task Force

• Section 3(e) calls on each Task Force to seek input from entities significantly affected by regulation, “including State, local, and tribal governments, small businesses, consumers, non-government organizations, and trade associations.”
• Review regulations that:
   Eliminate jobs or inhibit job creation;
   Are outdated, unnecessary, or ineffective;
   Impose costs that exceed burden;
   Create serious inconsistency or interfere with regulatory reform agenda.

• Prioritize regulations that are:
   Outdated
   Unnecessary
   Ineffective

• Comments due October 16

(1) Are there SBA regulations that have become unnecessary or ineffective and, if so, what are they?
(2) Are there SBA regulations that can be repealed without impairing SBA’s regulatory programs and, if so, what are they?
(3) Are there SBA regulations that have become outdated and, if so, how can they be modernized to better accomplish their regulatory objectives?
(4) Are there SBA regulations that are still necessary, but which have not operated as well as expected such that a modified approach is justified, and what is that approach?
(5) Are there SBA regulations or regulatory processes that are unnecessarily complicated or could be streamlined to achieve regulatory objectives more efficiently?
(6) Are there any technological developments that can be leveraged to modify, streamline, or repeal any existing SBA regulatory requirements?
(7) Are there any SBA regulations that are not tailored to impose the least burden on the public?
(8) How can SBA best obtain and consider accurate, objective data about the costs, burdens, and benefits of existing SBA regulations?
(9) Are there any specific suggestions of ways SBA can better achieve its regulatory objectives?
