Ms. Lisa Sanders Director, Science & Technology

SCIENCE & TECHNOLOGY Roundtables

“Somewhere something incredible is waiting to be known.”

-Carl Sagan
SOCOM S&T leadership will hold 4 different, simultaneous roundtables in 40 minute increments
- Futures Foundry/Non-Traditional
- Strategic Engagement
- Program Management/Doing Business
- Symposium Panel

After each 40 minute increment, participants can move to another S&T roundtable discussion topic area
- Allows everyone the ability to participate in all 4 S&T roundtable discussion topics in the allotted time
