# IPMD GOALS AND OBJECTIVES

*Lead the Advancement of Integrated Program Management  
Through Industry and Government Partnership*

## **Special thanks to new attendees and government attendees**

- **One of the key benefits to these meetings is collaboration with peers and interaction with our government partners**
- **Get to know each other and participate**
  - Join and contribute to a committee
  - Offer suggestions
- **We all have the same goal to advance effective program management practices that leads to improved warfighter capability**
