**What is the  
common theme?**

# What's going on here?

# Integrated Program Management and Technology

- **IPM can and must change**
  - Critical for keeping pace with speed and efficiency requirements
  - Critical to attract and retain the next generation workforce
  - Will help further program management integration efforts
  - Will improve timely decision making
- **What will you do?**
  - We'd love to get your input to help shape future meetings!
