

Team Ships Portfolio

Mission:

Our Mission is to design, acquire, modernize, and support the current and future Surface Fleet for the United States Navy from cradle to grave. We translate warfighter requirements into combat capability, enabling our Nation and its Partners to project presence in peace, power in war, and assured access anytime.

PEO Ships manages the design and construction of destroyers, amphibious ships, special mission and support ships, as well as a wide range of boats and craft for U.S. agencies and foreign military sales.

SEA 21 integrates maintenance strategies, modernization plans, sustainment practices, training needs, and technical, logistics, and programmatic efforts to best manage the lifecycle of U.S. and partner Navy surface ships and systems from fleet introduction through transfer or disposal.

Team Ships acquires and supports the current and future surface fleet for the U.S. Navy, enabling our nation and its allies to project presence in peace, power in war, and assured access at all times.
